All members may be concerned for one another. If one member suffers, all members suffer: if one member is honoured, all members share this joy. You are then the body of Christ.

POLICY STATEMENT

Flowing from the Christian vision expressed in the School’s Pastoral Care & Wellbeing Policy along with the adoption of KidsMatter Framework, St John the Baptist Catholic Primary School is called to establish relationships which are grounded in love, compassion, reconciliation and justice.

St John the Baptist Behaviour Management & Student Discipline Policy takes into account the Diocesan Pastoral Care Policy, the Behaviour Management and Student Discipline Policy and Anti Bullying Policy for all Systemic Schools in Broken Bay. St John the Baptist Catholic School’s approach to discipline is based on our pastoral care for each other i.e. students, staff and parents.

“Student Discipline practices are based on restorative principles and are respectful of the dignity, rights and fundamental freedom of individual students and at the same time, are focused on the effective running of the school for the benefit of all.”

Diocesan School Student Discipline Policy

We believe Pastoral Care & Wellbeing

- has the life of Jesus Christ as its focus
- is concerned with the dignity and integral growth of the individual
- is a responsibility entrusted to all members of the faith community
- is a force for healing, reconciliation and liberation, and
- is an expression of, and commitment to, justice.

(Extract from Diocesan Pastoral Care Policy)

POLICY DEFINITIONS

- **Behaviour** is defined as anything we say or do.
- **Appropriate Behaviour** is any behaviour that contributes to the positive learning environment.
- **Challenging Behaviour** is behaviour that significantly challenges the day to day functioning of schools. The behaviour impacts on learning and interrupts students’ and staff capacity to function in a safe and orderly environment.
- **At Risk Behaviour** is any behaviour that could cause possible harm or injury to self or other. This includes physical, emotional or psychological harm.
- **Bullying Behaviour** Whilst there is no universally accepted definition of bullying, there is general consensus that bullying behaviour has the following elements:
  - is deliberate and often repeated
  - intends to cause fear, distress, hurt or harm to another
  - is action by a more powerful individual or group over a less powerful individual or group

Bullying takes many forms. Examples of bullying include:

- **Physical** - hitting, pushing, tripping, kicking, spitting on others etc.
- **Verbal** - teasing, using offensive names, ridiculing, spreading rumours etc.
- **Non-Verbal** - writing offensive notes or graffiti about others, using e-mail or text messaging to hurt others, rude gestures etc.

- **Extortion** - threatening to take someone's possessions, food or money etc.
- **Property** - stealing, hiding, damaging or destroying property etc.
- **Cyber** - any form of bullying which is carried out through electronic means such as email, chat room, ‘sms’, web page etc.
POLICY FRAMEWORK
Behaviour Management and Student Discipline at St John the Baptist Catholic Primary School is authentically based within ‘KidsMatter’ framework and its five core social and emotional competencies. Additionally, Positive Behaviour for Learning (PBL) aligned to the School Rules, is embedded into whole School daily practices. PBL has a strong emphasis on teaching appropriate behaviours and providing systems of support to encourage positive behaviour which in turn enhances the wellbeing of all.

SCHOOL RULES & BEHAVIOUR EXPECTATIONS
The School Rules and Behavioural Expectations outline appropriate student behaviours that contribute to the functioning of our school as a safe and supportive learning environment. Students at St John the Baptist Catholic School will be taught, encouraged and supported to demonstrate these expected behaviours. At St John the Baptist Catholic School, we are Safe, Respectful Learners.

PROCEDURES for SCHOOL RULES & BEHAVIOURAL EXPECTATIONS

At St John the Baptist Catholic Primary School we believe based on research that prevention strategies through education that involve the whole school community (students, staff and parents) are more likely to increase expected behaviour and reduce inappropriate behaviour or bullying. Therefore, St John the Baptist recognises we all share the responsibility to prevent bullying. The Catholic Worldview which represents the antithesis of bullying will be taught explicitly, continually modelled, clearly demonstrated and generously affirmed across all facets of school life.

1. EXPLICIT TEACHING of POSITIVE BEHAVIOURS embedded within the curriculum addressing positive relationships, conflict resolution, resilience, bystander action etc.

St John the Baptist Catholic Primary School community is committed to:

- **Teach**,
- **Practice,**
- **Apply,** and
- **Acknowledge** appropriate behaviours

_**Appendix C: Specific Procedures and Processes for Teaching and Practising**_

The St John the Baptist Wellbeing Team will coordinate the process involved and support staff in teaching, practising, applying and acknowledging appropriate behaviours. Team members take on specific roles in the process to support staff and the school community. All staff will actively support all systems and processes in order to bring about appropriate student behaviours.

_**Appendix G: Team Roles and Responsibilities**_

2. PROCEDURES for ENCOURAGING POSITIVE BEHAVIOUR

St John the Baptist Catholic Primary School community is committed to acknowledging students in order to encourage the behavioural expectations and school rules. We endeavour to acknowledge students through a variety of means

**Acknowledging Appropriate Behaviours:**

- Each class teacher develops their own systems of acknowledgement and reinforcement within their class an extrinsic reward systems eg colour house points, stickers etc
- Body language strategies – smile, gestures, nod, thumbs up, proximity etc
- Verbal acknowledgment – recognition of how behaviours effect other, single word utterances, praise, descriptive encouraging etc
- Positive comments in student workbooks
- Being chosen for responsibilities
- Class visits sharing of work / achievements
- Assembly awards (Friday fortnightly K-6)
  - **Merit awards** class teachers, teacher librarian, music teacher, learning support teacher and PE teacher, present at least one merit award for academic achievement.
  - **Safe, Respectful, Learners awards** class teachers, teacher librarian, music teacher, learning support, admin and PE teacher, present at least one Wellbeing Award (PBL) for demonstrating Behavioural Expectations.
  - **Principal Award** given to student/s nominated by staff in recognition of School Rules and Wellbeing (PBL). Nominating teacher writes a descriptive paragraph on the qualities the student demonstrates in their daily involvement and interaction with the School.

_**Appendix D: SJB Awards**_
3. VIGILENT SUPERVISION: classroom, playground and transition.

3a Teachers are to actively supervise children at all times. Teachers should note supervisory duties for the day and turn up promptly to duty. Teachers are asked to be aware of playground ‘hotspots’ – toilets, stairs, canteen etc. and visit these areas regularly throughout their supervision duty.

3b Provision of safe and structured playground spaces and activities at break times which include, proactive strategies that encourage student activities are in place.

3c SJB procedures for collecting and reviewing inappropriate behaviour and bullying data are as follows;
- Teachers Time Out slips electronically recorded on Wellbeing data base.
- Analysis of Wellbeing Data of high risk areas with appropriate action taken by all staff.
- ‘Friendship Surveys’ conducted and analysed by Class Teacher each term.
- Wellbeing items discussed at each Business Meeting and actioned by all staff.
- Wellbeing Team meetings analysis whole school Behaviour Tracking Data and call to action by all staff.

At SJB Students are encouraged to:
- take positive action to stop the bullying if they observe an incident immediately tell the Teacher on duty or Class Teacher
- do not be a bystander
- make it clear to their peers that bullying is not accepted

Staff are expected to:
- take positive action to stop the bullying when they observe an incident
- report bullying behaviours to the Principal or Assistant Principal for immediate action

Parents are encouraged to:
- listen to their child and discern fact from fiction (particularly in younger children)
- encourage their child to speak to the teacher on duty or Class Teacher
- directly contact the school (Class Teacher, Principal or Assistant Principal) if they have any concerns

PROCESSES FOR DISCOURAGING INAPPROPRIATE BEHAVIOURS
St John the Baptist Behaviour Management and Student Discipline Policy and practices are based on restorative principles and respectful of the dignity, rights and fundamental freedom of individual students. At the same time our policy and practice are focused on the effective running of the school for the benefit of all.

Staff are encouraged to remember the dignity of students when responding to inappropriate behaviour. When discouraging or correcting student behaviours, staff are encouraged to use the least intrusive methods possible.

Inappropriate Behaviours
Inappropriate Behaviour is behaviour that challenges the day to day functioning of our School and is contrary to our ‘School Rules and Behavioural Expectations’.

---

**INAPPROPRIATE BEHAVIOUR**

**Minor and Major Behaviour**

**Minor Behaviour**

Minor inappropriate behaviours are recognised as any behaviour that does not meet the School Rules and Behavioural Expectations.

**Major or Repeated Minor Behaviour**

Major inappropriate behaviours are identified as deliberate actions that are offensive and/or dangerous to the physical and/or emotional wellbeing of other.

---

**CLASSROOM**

Student has Long Time Out in ‘buddy’ class immediately after the incident for age appropriate minutes (1 minute per student’s age).

Class teacher supervises child into buddy class and monitors the time out.

Student returns to class and re-engages with learning.

Before the end of the day, the class teacher completes a Classroom Long Time Out slip and leaves in PBL tray in office for daily AP collection.

In addition to the above process, if a staff member is concerned about the wellbeing of a child that staff member is to **immediately inform** the Principal, the Principal will then notify parents.

---

**PLAYGROUND**

Student is given Long Time Out age appropriate minutes (1 minute per student’s age).

Playground duty teacher reminds student of behaviour expectation before returning them to play.

Playground duty teacher informs relieving duty teacher or class teacher of incident.

Before the end of the day, the playground teacher completes a 'Classroom Long Time Out' slip and leaves in PBL tray in office for daily AP collection.

In addition to the above process, if a staff member is concerned about the wellbeing of a child that staff member is to **immediately inform** the Principal, the Principal will then notify parents.

---

When all efforts at re-teaching, redirecting, removing and reminding have been exhausted, **Short Time Out** is used.

**Time out** is described as ‘time away from reinforcement’. For example, if the behaviours are seeking and gaining attention, the use of time out is effective in removing the reinforcement of ‘attention’ for the inappropriate behaviour.

**Remember,**

**Time Out** is used to help bring about a positive change in behaviour - a circuit breaker, not purely as punitive action.

---

**Classroom**: Student sits within the classroom away from others for the maximum of 5 minutes.

**Playground**: Student is asked to sit out of play for the maximum of 5 minutes.

Teacher reminds student of behaviour expectations.

---

Revised Minor and Major Incidents discussed at Staff Business Meetings.

Wellbeing Team review data regularly to decide future actions.
Minor inappropriate behaviours [teacher managed behaviours] are recognised as any behaviour that does not meet the *School Rules and Behavioural Expectations*.

Major inappropriate behaviours [office referred behaviours] are identified as deliberate actions that are offensive and/or dangerous to the physical and/or emotional wellbeing of another person. The consistent and repeated occurrence of minor behaviours may also be considered as major.

Appendix E: Long Time Out Data Collection Slip

In order to analyse ongoing inappropriate behaviours, the school may also make use of the “Interventions for Students Presenting Challenging Behaviour” (Diocesan Behaviour Management –Curianet) in order to write and implement a “Behaviour Support Plan”. The purpose of both is to teach and support the student to develop more appropriate replacement behaviours.
St John the Baptist Bullying Response and Procedure

Bullying is viewed as a major breach of the School Rules and Behavioural Expectations therefore, any report of bullying will be investigated and appropriate action taken promptly.

Bullying (deliberate, repeated action) takes many forms which include;

- **Physical** - hitting, pushing, tripping, kicking, spitting on others etc.
- **Verbal** - teasing, using offensive names, ridiculing, spreading rumours etc.
- **Non-Verbal** - writing offensive notes or graffiti about others, using e-mail or text messaging to hurt others, rude gestures etc.
- **Exclusion** - deliberately excluding others from group, refusing to sit next to someone etc.
- **Extortion** - threatening to take someone's possessions, food or money etc.
- **Property** - stealing, hiding, damaging or destroying property etc.
- **Cyber** - any form of bullying which is carried out through electronic means such as email, chat room, ‘sms’, web page etc.

The response to bullying at St John the Baptist is in accordance to the CSO Anti-Bullying Policy.

The following procedures are immediately actioned by the school;

1. Immediate response by the Principal or Assistant Principal through investigation with all parties i.e. bully, standbyer, person bullied, teacher on duty/class teacher.
2. Consequence of bullying actioned by school.
4. Parents informed and meet with Principal, bully, Class Teacher.
5. Behaviour Management Plan developed by school and articulated to parents.
6. Student’s Behaviour Management Plan implemented by school and closely monitored until behaviour no long exists. School sanctions may continue until this time.

Any further recurrence of bullying may result in an issue of warning re: suspension and could lead to the implementation of suspension in consultation with the CSO School’s Consultant and Parish Priest.

**SJB Procedure for Investigating Bullying and Follow Up!**

1. Preliminary interview(s) will be conducted to ascertain the specific nature of the bullying. These interviews should be with individuals initially (i.e. student being bullied, students witnessing bullying, student engaging in bullying behaviour, staff etc.)

2. The initial interviews focus on the safety of individuals. This should include a clear statement on the consequences if the bullying continues or if there are any reprisals as a result of the reporting of the incident immediate preventative actions that will be implemented to avoid further incidents.

3. Decisions will be made as to the level of severity of the incident and whether the parents of those involved need to be informed. (Class Teacher and Principal meeting).

4. Follow up interviews should focus on appropriate strategies to assist and support all involved within a Behaviour Support Plan. This Plan will specifically identify the inappropriate behaviours, name the replacement behaviours, outline strategies to support the replacement behaviours and reinforcers (both negative and positive) when behaviours occur.

5. A record of the separate interviews must be kept with Principal.

6. Regular monitoring and follow up with the students involved is necessary. (for example daily, prior to and after break times etc.)

**Note:** Major disciplinary sanctions are last resort actions which are only invoked with due process in the event of serious breaches of School Discipline Policy. These sanctions are not to be confused with routine disciplinary sanctions such as 'time-out' from class. Before major sanctions are implemented, the school usually adopts a graduated process of other disciplinary measures, and has had ongoing discussions with the student and parent/guardian. This may involve the issuing of formal written warning of pending exercise of major sanctions.

Instructions for the Administration of the Student Friendship Questionnaire.

1. Start by saying:

   *I am going to ask you to tell me how you think and feel about your friend... I will read out each question one at a time and ask you to colour in a circle or tick a box to show your answer. There are no right or wrong answers. We just want to know how you think and feel.*

2. Advise the students that only you will read what answers they have written on the sheet.

3. Ask each student to tick the box that shows what year level they are in.

4. Read each question to the class one at a time and ask them to fill it in after you have read it. Use the number of the question to direct them to the correct question.

This behaviour is repeated and directed towards the same person. It can happen in person, or can happen online. A fight or disagreement between equal students isn’t bullying.
