

# St John the Baptist OSHC, Freshwater

## Welcome

Our aim is to provide an environment that is warm, caring, safe and creative. Our program caters to the specific needs of the children enrolled in our service and is constantly changing and evolving to ensure participation by all.

Whilst in our care, children can expect a wide range of recreational activities that are fun and promote creativity and independence. Our staff work together to create an environment that is as close to a home environment as possible through outdoor/indoor free play, time to complete homework or quiet reading opportunities. We facilitate group activities where we interact one-on-one to build strong relationships between children and staff and pride ourselves on our close relationships with families.

---

### OUR SERVICE

Our Freshwater OSHC is open to children from St John the Baptist Primary School and Harbord Public School. We are located on the school grounds of St John the Baptist. We provide:

- Before school care: 7.00am to 9.00am
- After school care: 3.00pm to 6.00pm

Our weekly program includes creative arts, sports, cooking, homework/quiet time, free play, meditation, group games ... and more!
